About Prosper

Founded in 2017, Prosper Vancouver and Prosper Foundation set out to provide an extraordinary experience for business-minded high school students in the Lower Mainland with an exhilarating case competition and numerous networking and learning opportunities. Prosper Vancouver strives to be the starting point for future entrepreneurs and leaders in the business world.

Over the past eight iterations, Prosper Vancouver has welcomed more than 2,800 attendees. More significantly, Prosper has maintained its position as the largest high school student-run business case competition in Canada for seven consecutive years. The record-breaking attendance at Prosper 2025 — the first overnight conference of its kind in Canada — marked a defining moment in our history that set a new standard for student-led business conferences with over 600 participants. Through our conferences, we hope Prosper continues to inspire students with interests not only in business, but also in entrepreneurship, innovation, and leadership.

CONFERENCE PRESENCE

All sponsorship tiers offer the presence of your company's logo and link on the Prosper website. All sponsors will be recognized during the opening ceremony, whereas Silver, Gold and Platinum tier sponsors will be recognized again during the closing ceremony. All attendees will be able to strengthen the connection they hold between your company and Prosper.

SOCIAL MEDIA EXPOSURE

With a social media reach of over 1800+ people alongside 2000+ more through our sister conferences, your company will receive extensive exposure among a group of creative and diligent students from the Lower Mainland, other parts of Canada, United States, and more. Given this age demographic, social media promotions are ideal for your company's reach to grow with our conference. Each sponsorship tier will be given a specific amount of social media credits that can be applied towards either a story or a tailored post across all of our social media platforms. The Director of Marketing will be working with your company to create the most desirable posts that best showcase your company to our followers. Additional terms and conditions may apply regarding the information contained in the tailored promotion posts. Please do not hesitate to contact the Director of Marketing for more details at marketing@prospervancouver.org.

Gold and Platinum tier sponsors will have the opportunity to send in a pre-recorded video about their organization that will be played during the closing ceremony. Gold tier sponsors can submit a video up to 30-seconds in length while Platinum tier sponsors can submit a video up to 1-minute in length. The video must be submitted at least 2 weeks prior to the conference and will be reviewed by the Prosper Foundation Board of Directors for compliance purposes.

OPPORTUNITY TO HOST A BOOTH DURING PROSPER EXPO

Gold and Platinum tier sponsors will have the opportunity to send in 2 representatives to speak on behalf of your company during the Prosper Expo Opportunity Fair. This is an effective method to solidify your brand's presence within a community of Lower Mainland's brightest youth.

ADDITIONAL INFORMATION

WHERE YOUR CONTRIBUTION WILL GO TO

Every year, Prosper grants fee waivers to students interested in participating but are unable to due to financial constraints as part of our Prosper All Access Program. This program is only possible with the generosity of our sponsors. With your sponsorship, we can provide lower prices for our contestants and increase the volume of financial support. INTRODUCING PROSPER360

Prosper360, the Digital Key to Our Conference

Prosper Foundation is proud to introduce the next revolutionary change to how attendees interact with the digital conference elements with Prosper360.

The Prosper360 app allows you to unlock the interactive digital experience across all Prosper Foundation events — including Ascend, Strive, Prosper, and more. For our distinguished sponsors, this platform will unlock new ways for attendees to meet and digitally interact with sponsors while providing accurate KPIs for sponsors to track the engagement.

As the only organization of its kind in Canada to offer this level of digital integration at no additional cost to all our sponsors, Prosper Foundation is excited to elevate the conference experience for both our participants and our sponsors.
